

Privacy Policy (GDPR)

Hemi Heating AB protects your privacy and thereby wants to inform how we process and collect personal information.

This privacy policy applies to Hemi Heating AB (556420-7586).

Hemi Heating AB manufactures and sells specially manufactured surface heating systems and sells mainly to companies. To be able to conduct business, Hemi Heating then needs to collect and process personal data in connection with contact and business transactions with customers and suppliers.

Hemi Heating is the personal data controller for the processing of your personal data.

If you want to know what personal data we have stored on you, you are welcome to send us an inquiry.

How we collect the information:

When you contact us via email, phone, contact form via website, fax or social media such as Facebook. Or at personal meetings, we collect and process your information in order to follow up inquiries, business transactions, and your questions or comments.

Examples of information collected:

Company Name

Contact person

Phone number and email address

Business address / invoice address

Payment and financial information, such as bank transfer and credit assessment

How we store the information:

Information collected as above is stored in Hemi Heating's digital register.

The computers/servers used to store personal data are stored in a secure environment.

Why do we collect the information:

The information we collect that you provide to us is necessary for us to be able to respond to inquiries, manage business transactions with customers and suppliers, and follow-up project.

How long do we save your information:

We will keep the data for as long as it is necessary to fulfill the purpose for which it was collected.

The information is saved as long as it is necessary to enable us to carry out our obligations and as long as required by statutory storage times, such as tax and accounting requirements.

Who has access to your information:

In order to fulfill our commitment to you as a customer and as a subsidiary of the NIBE Group, we may share information with third parties, such as suppliers or other companies within the NIBE Group, such as for example. name, delivery address etc. We take all reasonable steps to ensure that the information is handled in a secure manner to third parties.

Consent:

You agree to our Privacy Policy by using our website or submitting a request.

Recruitment

When recruiting, we use our digital channels such as website and Facebook. We also work with recruitment companies. In the case of applications received through one of these channels, we will process the incoming personal data in order to make the recruitment process in the best way.

We will never process your personal data for longer than is permitted by applicable law or practice.

If you have any questions, you are welcome to contact maria.nieminen@hemiheating.se
